In his autobiography, *One Shot, One Kill*, Hathcock tells the story of his life and career, from his humble beginnings in Arkansas to his legendary exploits in Vietnam. Along the way, he provides a fascinating glimpse into the world of sniping, and the unique skills and mindset required to be successful in this deadly profession.

Hathcock was a natural marksman, and he developed his skills through years of practice and training. He was also a master of camouflage and

concealment, and he could often lie in wait for hours, waiting for the perfect shot. In Vietnam, Hathcock's skills were put to the test, and he quickly became one of the most feared snipers in the war. He was responsible for taking out numerous enemy soldiers, including high-ranking officers and snipers.

Hathcock's autobiography is a gripping account of his life and career. It is a must-read for anyone interested in military history, sniping, or the Vietnam War.

Early Life and Career

Carlos Hathcock was born on May 20, 1942, in Little Rock, Arkansas. He was the son of a farmer, and he grew up in a rural area. From a young age, Hathcock was fascinated by guns, and he spent much of his time hunting and target shooting.

In 1960, Hathcock joined the U.S. Marine Corps. He quickly rose through the ranks, and he was soon assigned to the Marine Corps Scout Sniper School. Hathcock excelled in sniper training, and he graduated at the top of his class.

Vietnam War

In 1965, Hathcock was deployed to Vietnam. He was assigned to the 1st Marine Division, and he quickly became one of the most feared snipers in the war. Hathcock was responsible for taking out numerous enemy soldiers, including high-ranking officers and snipers.

One of Hathcock's most famous exploits occurred in 1967. He was on a mission to take out a North Vietnamese sniper who had been terrorizing

American troops. Hathcock tracked the sniper to a tree line, and he waited for hours for the perfect shot. When the sniper finally emerged from the tree line, Hathcock took him out with a single shot.

Hathcock's reputation as a sniper grew throughout the war. He was awarded the Navy Cross, the Silver Star, and the Bronze Star for his actions in Vietnam.

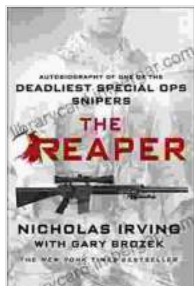

Post-War Career

After the war, Hathcock returned to the United States. He served as a sniper instructor at the Marine Corps Scout Sniper School, and he also worked as a consultant for various law enforcement agencies.

In 1999, Hathcock was diagnosed with multiple sclerosis. He died in 1999 at the age of 56.

Legacy

Carlos Hathcock was one of the world's most elite snipers. He was a master of his craft, and he was responsible for taking out numerous enemy soldiers during the Vietnam War. Hathcock's autobiography is a fascinating account of his life and career, and it is a must-read for anyone interested in military history, sniping, or the Vietnam War.
