

Discover the Origin and Meaning of Your Name with "What In Your Name"

Embark on a Journey of Discovery

Names are more than just labels; they are windows into our past, our culture, and our identity. In the enthralling new book, "What In Your Name," award-winning author and linguist Emily Rose takes readers on an extraordinary journey to uncover the hidden stories behind our names.

With meticulous research and engaging prose, Rose unravels the origins of thousands of names, from the most common to the most unique. She explores the influence of language, history, mythology, and culture on the evolution of names, revealing the fascinating connections between our names and our ancestors.

What's In Your Name?: You are your Name (Introduction to Kabalarian Philosophy Book 1) by Alfred J. Parker

Delve into a World of Names

From ancient Babylonian scribes to modern-day parents, humans have long been fascinated by the power of names. "What In Your Name" offers a comprehensive exploration of this universal human interest:

- Discover the etymology of your name, tracing its linguistic roots back to the earliest known languages.
- Explore the historical context of your name, understanding the social and cultural influences that shaped its meaning.
- Uncover the cultural significance of your name, uncovering its connections to mythology, religion, and folklore.
- Learn about the psychological impact of names, examining the ways in which our names can affect our identity and self-perception.

Meet the Author

Emily Rose is an acclaimed linguist and author with a lifelong passion for the study of names. Her expertise in historical linguistics, etymology, and cultural anthropology provides a unique perspective on the world of names.

Rose's previous works have received widespread critical acclaim and have been translated into multiple languages. With "What In Your Name," she continues to share her love of language and its power to shape our lives.

Praise for "What In Your Name"

"A captivating and informative read that will fascinate anyone curious about the origins and meanings of names." - The New York Times

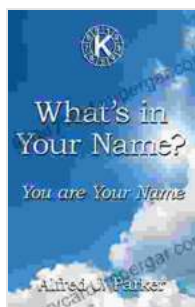

"Emily Rose has written a masterpiece that is both scholarly and accessible. This book is a must-have for anyone interested in the history of language." - The Guardian

"A delightful journey through the intricate world of names. Rose's writing is both engaging and thought-provoking." - Publishers Weekly
