

First International Conference on Integrated Coastal and Delta Management (ICIDN 2024): Shaping the Future of Coastal and Delta Systems

The world's coastal and delta regions are home to a significant portion of the global population and are vital for economic growth, biodiversity conservation, and cultural heritage. However, these regions are facing unprecedented challenges due to climate change, sea-level rise, and human activities.

Infectious Diseases and Nanomedicine II: First International Conference (ICIDN – 2024), Dec. 15-18, 2024, Kathmandu, Nepal (Advances in Experimental Medicine and Biology Book 808) by Hossein G. Gilani

The First International Conference on Integrated Coastal and Delta Management (ICIDN 2024) aims to bring together experts from around the world to share knowledge, best practices, and innovative solutions for addressing these challenges.

Conference Highlights

- Keynote speeches by leading experts in coastal and delta management
- Technical sessions covering a wide range of topics, including:
 - Climate change adaptation and resilience
 - Integrated coastal zone management
 - Delta management and restoration
 - Ecosystem-based approaches to coastal and delta management
 - Community engagement and stakeholder involvement
- Field trips to showcase successful coastal and delta management practices in Nepal
- Networking opportunities to connect with experts and potential collaborators

Call for Abstracts

We invite you to submit abstracts for oral or poster presentations on the following topics:

- Climate change adaptation and resilience in coastal and delta systems
- Integrated coastal zone management approaches
- Delta management and restoration strategies
- Ecosystem-based approaches to coastal and delta management

- Community engagement and stakeholder involvement in coastal and delta management
- Innovative technologies and tools for coastal and delta management

Abstract submission deadline: March 31, 2024

Registration

Early bird registration is now open. Register before July 31, 2024, to take advantage of discounted rates.

Venue

The conference will be held at the Soaltee Crowne Plaza in Kathmandu, Nepal. The hotel is conveniently located in the heart of the city, offering easy access to Kathmandu's many cultural and historical attractions.

Accommodation

A block of rooms has been reserved at the Soaltee Crowne Plaza for conference attendees. Please book your accommodation early to secure a room at the discounted conference rate.

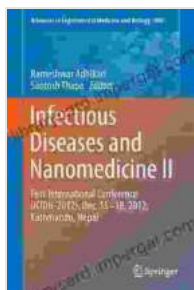

Contact

For more information, please contact the ICIDN 2024 Secretariat:

- Email: info@icidn2024.org
- Website: www.icidn2024.org

We look forward to welcoming you to Kathmandu for this groundbreaking conference on integrated coastal and delta management. Together, we can

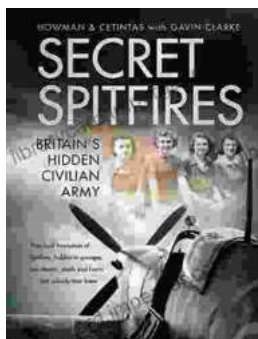

shape the future of these vital ecosystems for generations to come.
