

# Ford Model Coast to Coast: A Cross-Country Adventure in a 1927 Ford Model T

By [Author's Name]

In 1927, two young men embarked on a cross-country adventure in a 1927 Ford Model T. Their journey took them from New York City to Los Angeles, and along the way they encountered a variety of challenges and adventures. Their story is told in the book Ford Model Coast to Coast, which is now available for Free Download.

## Ford Model T Coast to Coast: A Slow Drive Across a Fast Country by Alex Lluch

The book is a fascinating account of a time when cross-country travel was a much more challenging endeavor than it is today. The author does an excellent job of describing the challenges that the two young men faced, as well as the beauty of the American landscape that they witnessed along the way.

The book is also a valuable historical document. It provides a glimpse into a time when the United States was still a relatively young country, and when the automobile was still a relatively new invention. The book is full of interesting details about the early days of motoring, and it is a must-read for anyone who is interested in the history of the automobile.
