In her new memoir, *Lemon Jail: On the Road with the Replacements*, Sarah Edwards offers a candid and unforgettable account of her time as the band's tour manager. Edwards was a young woman in her early twenties when she joined the Replacements on the road in 1984. She had no experience in the music industry, but she quickly learned the ropes, becoming an indispensable member of the band's entourage.

Over the next four years, Edwards traveled with the Replacements on countless tours, witnessing firsthand the band's rise to fame and their eventual implosion. She was there for the drunken brawls, the drug-fueled parties, and the countless nights of debauchery. But she also saw the band's softer side, their camaraderie, their creativity, and their unwavering passion for music.

*Lemon Jail* is a funny, poignant, and ultimately redemptive story about a young woman's coming-of-age in the midst of rock and roll chaos. It is a story about friendship, loyalty, and the power of music to transform lives.
