In her new book, *Life Colors*, author and aura reader Cyndi Dale explores the hidden meanings behind the colors in your aura. She explains how to decipher the messages your aura is sending you and use this knowledge to improve your life.

Dale writes that the colors in your aura are like a roadmap to your soul. They can show you your strengths and weaknesses, your fears and desires, and your life purpose.

By understanding the colors in your aura, you can gain a deeper understanding of yourself and your life. You can learn how to use your aura to manifest your desires, heal your body, and connect with your spiritual side.

Life Colors is a must-read for anyone who is interested in spirituality, self-discovery, or the power of the aura.

What are the different colors in the aura and what do they mean?

The aura is a field of energy that surrounds the body. It is made up of seven different colors, each of which has its own meaning.

- **Red:** Passion, energy, strength
- **Orange:** Creativity, joy, optimism
- **Yellow:** Intellect, communication, happiness
- **Green:** Healing, balance, growth
- **Blue:** Peace, tranquility, spirituality
- **Indigo:** Intuition, wisdom, psychic abilities
- **Violet:** Transformation, spirituality, connection to the divine

The colors in your aura can change depending on your mood, your health, and your life experiences. By paying attention to the colors in your aura, you can gain a better understanding of yourself and your life.

How can you use the colors in your aura to improve your life?

The colors in your aura can be used to improve your life in a number of ways. Here are a few tips:

- **Use the colors in your aura to manifest your desires.** When you focus on a specific color, you can attract that energy into your life. For example, if you want to attract more love, you can focus on the color pink. If you want to attract more money, you can focus on the color green.
- **Use the colors in your aura to heal your body.** Each color has its own healing properties. For example, red can be used to heal physical injuries, while blue can be used to heal emotional wounds.
- **Use the colors in your aura to connect with your spiritual side.** The colors in your aura can help you to connect with your higher self and your spiritual guides.

By understanding the colors in your aura, you can gain a powerful tool for self-discovery and personal growth.
