## By Elizabeth Gilbert

In her bestselling memoir, *Eat, Pray, Love*, Elizabeth Gilbert chronicled her journey of self-discovery after her divorce. In *Me Talk Pretty One Day*, she takes on a new challenge: learning to speak French.

Gilbert's decision to learn French is born out of a desire to connect with her new love, a French chef named Thierry. But as she soon discovers, learning a new language is no easy feat. She struggles with pronunciation, grammar, and vocabulary. She makes countless mistakes and feels like she's constantly making a fool of herself.

But Gilbert is determined to succeed. She enrolls in a language class, hires a private tutor, and immerses herself in French culture. She watches French movies, reads French books, and listens to French music. She even moves to Paris for a year to fully immerse herself in the language.

Gilbert's journey is not without its setbacks. She has moments of doubt and frustration. But she also has moments of triumph and joy. She gradually starts to make progress, and eventually she reaches a point where she can finally speak French fluently.

*Me Talk Pretty One Day* is a hilarious and heartwarming memoir about the challenges and rewards of learning a new language. It's a story about perseverance, determination, and the power of human connection.

### **Praise for *Me Talk Pretty One Day***

"Gilbert's writing is as charming and witty as ever, and her insights into the human condition are both profound and moving." — *The New York Times Book Review*

"A delightful and inspiring memoir about the joys and frustrations of learning a new language." — *The Washington Post*

"Gilbert is a master storyteller, and her journey to fluency is both entertaining and enlightening." — *Entertainment Weekly*
